Lithofin Limescale-Away

Description
Lithofin Limescale-Away is a highly effective, concentrated acidic cleaner. The product is nearly odourless, does not generate any vapours and can be completely rinsed away with water.

Properties
Lithofin Limescale-Away removes limescale, water spots, calcium and similar stubborn deposits quickly and effectively
Technical Data:
Density: approx. 1.2 g/cm³
pH-Value: approx. 1 (concentrate)
Appearance: liquid, clear, greenish
Odour: unspecific, aromatic
Flash Point: n.a.
Solubility in Water: complete

Field of Use
For quickly and effortlessly removing encrustations and deposits from ceramics and porcelain tiles, sanitary fittings, water taps, kettles, coffee makers and other hot water equipment and household appliances.

Directions for Use
Fixtures and surfaces in kitchen and bath:
Apply with a cloth or sponge, allow to work then rinse with clear water.
Shower heads:
Mix ½ cup of Lithofin Limescale-Away with 2 cups of water, submerge shower head in solution, allow to work, then rinse well with clear water.
Coffee machines:
Fill with ½ cup of Lithofin Limescale-Away and 2 cups of water. Switch on and run 1 cup through the machine, then switch off. After 15 min. switch machine on again and run the rest through, then rinse 2 to 3 times with clear water.
Please Note: do not use on surfaces sensitive to acid such as marble, limestone, aluminium, enamel, bronze, some decorative tiles and plastics, wood and textiles, etc. Always try the product in an inconspicuous area prior to use.
Coverage: 5 to 10 uses per bottle

Storage
Keep closed, cool and dry.
Shelf life of up to 4 years.
